

KMR Field Advisor - Expression of Interest Form

Name:

Address:

Phone:

Email:

- 1) What are your motivating reasons for becoming a Kaipara Moana Remediation Field Advisor?
What are your aspirations once you have been trained?

- 2) Are you self-employed and/or available to work as a self-employed contractor to the Kaipara Moana remediation programme?

Yes No

Are you affiliated to a KMR partner organisation?

Yes No

If yes, who?

- 3) Describe your experience in relation to farm advisory services, relevant tertiary education or training, farm environment planning, ecology and/or remediation works (planting, afforestation or fencing).
Please also list when and where any experience was gained (300 words max or bullet points).

- 4) What geographic area within the Kaipara Moana catchment would you prefer to work in?

5) Are you GST registered?

Yes No

6) Do you have a full driving licence?

Yes No

If yes, please also list any endorsements:

7) Are you affiliated to a Hapū and/or Iwi?

Yes No

If yes, please list:

8) Do you have any medical issues that will impede physical farm walking, or any other aspects of the Field Advisor role, that KMR should be informed of?

9) How many days per month will you be available to complete Sediment Reduction Plans?

10) Alignment and training are required for all KMR Field Advisors prior to commencing work. The extent of training required will depend on the level of experience you possess.

There are currently two trainings scheduled to occur in February and May 2022 (actual dates yet to be confirmed). Please indicate which of these would best suit you.

February 2022

May 2022

Both

Neither

Please note, the location is to be confirmed but will likely be centred around Maungaturoto. Trainings may be rescheduled due to COVID-19 restrictions. Advisors will be allocated to training sessions to ensure a balanced spread of advisors and experience. As such there is a chance you may not be allocated to your preferred week of training.

Keeping you up to date

Yes, I would like to receive ongoing communication about the Kaipara Moana Remediation Programme
